PROFILE

Versatile specialist working at the intersection of **compliance & quality assurance**, **international project coordination**, and **AI-driven digital marketing**. Five years in fintech (Paysafe, Crypto.com) covering control testing, EDD, and financial-crime governance, in parallel with coordinating multi-country Erasmus+ programmes.

AI-native operator: builds ad creatives, funnels, websites, and automation tools with modern AI tooling, and runs high-volume multilingual Meta advertising across 10+ European markets.

EXPERIENCE

Digital Marketing & E-Commerce Specialist

Ina Essentials · Remote

Oct 2025 – Present

- Plan, launch, and manage **80+ Meta ad campaigns across 10+ European markets** — from campaign architecture and budgets to continuous optimisation, with consistently strong results.
- Produce ad creatives end-to-end with an **AI-first pipeline**: static visuals (Nano Banana, Magnific) and AI video (Runway), tested at high volume.
- Write headlines, ad copy, advertorials, and email sequences in **6 languages** (BG, EN, ES, DE, IT, PT) with AI-assisted localisation.
- Build and optimise sales funnels — advertorials and landing pages in custom HTML/CSS; operate Shopify, email marketing, and organic Facebook/Instagram content.

Compliance Assurance Specialist

Paysafe

Jan 2024 – Jan 2026

- Performed control testing (second-line quality assurance) across CDD, EDD, PEP & sanctions, Anti-Bribery & Corruption, FOS complaints, and financial-crime controls (AML, FCM, FCI, CTF).
- Subject-matter expert for Anti-Bribery & Corruption and FOS complaint control testing; developed internal methodologies, procedures, and control frameworks.
